	BIOL 499 Coordinating Seminar	1			

Summer (Optional) : CORE and/or Electives

Year 4

PHARM 1 Courses

Year 5

PHARM 2 Courses

Year 6

PHARM 3 Courses

Notes: The Biology capstone and the BIOL485/495/497 requirement are waived. If a student decides to pursue an additional semester (or year), it is expected that these courses will be taken along with other electives to reach 120 credits toward the B.S. in Biology.

NOTE: This is an unofficial worksheet and is subject to change. The responsibility to register for the necessary courses in the proper sequence to meet the academic program requirements rests with the student. Please consult your advisor every semester, and the USJ catalog, for the most up-to-date degree program requirements.

UNIVERSITY OF SAINT JOSEPH

3+3 Biology PharmD

3+3 Pharmacy Track Biology Major

The 6 semester 3+3 Pharm D. track is open to high school graduates who meet the admissions requirements specific to the program. Students who meet all the progression standards for the 3+3 Pharmacy track and pass an in person interview are then guaranteed a seat in the USJ Pharmacy program beginning the August after their 6th semester.

Admission Criteria 3+3 Pharmacy Track:

- Minimum high school GPA of 3.0 (unweighted, core courses)
- Completion of 2 semesters each of Biology, Chemistry, and Algebra II
- Essay

Progression Standards for the 3+3 Pharmacy Track

- Throughout curriculum earn a “B-” or better in all major and supporting courses
- Take all Pharmacy prerequisite courses at USJ
- No repeat courses without permission of major advisor/program director (may delay matriculation into the Pharmacy Program)
- Absence of disciplinary actions
- Maintain ability to meet Pharmacy Standards with or without accommodation
- Cumulative GPA of 3.3 or higher at the end of Junior year
- Completion of a successful in-person interview for the Pharm D. Program
